I want to write a short description of public event went this year. It was in last April. Mine and my friends' favourite singer gave a concert.

The club where was a show is named "Vagonka". It placed in central sector of our town, not far from my home.

I went there with my best friends and a girl friend. Also, there were many teenagers. Together, we spent there ~~many~~ ~~money~~ about two hours and the whole time we were singing, dancing and listening our favourite songs. I really enjoyed by that.

After this party, we all went to the restaurant and discussed our feeling and emotions, which we had on that trip.
