WRITING- 10 баллов

Hello! In this blog post, I'll tell you about my school. I study at the 28th school. This school is located in Kaliningrad near Bagrationa Street, and there is a big park where we can walk and relax. School starts at 8 a.m. and usually ends at 2 p.m. My favourite lesson is English, and my English teacher is my favourite teacher, because she explains the rules clearly. After the classes, I play football with my classmates and then go home. I have only two friends at school. We always help each other if we don't understand something. In conclusion, I can say that my school is quite cool, and if someone asks, I'll recommend this school.
