Writing – 14 баллов

I want to write about the public event I have seen recently. In fact, I was in that event in real life.

It was a huge festival in Moscow. It took place in some huge arena. The event started at 11am on Saturday.

Firstly, I met my friend Peter and we went in the building. There were a lot of people so we have almost lost each other. Organisers invited a lot of popular singers and comedians on that festival. Singers were singing about their career and fans and while comedians were showing their beautiful costumes, singing and dancing to them. I took up a position of one of the singers.

The ending of event was really cool. Everyone walked in a huge room and only one left when turned on the music. Everybody were dancing, singing and having a lots of fun.
