Hi, I'm going to tell about my school. I study at liceum. It has four floors. Usually, lessons start at 8 o'clock. I have seven lessons a day. After school I usually play computer games. At school ~~and not~~ I have friends. I have quiet normal number of friends. For I'll describe one of them. His name is Vadim. He has ~~short~~ dark hair average height, and light skin. He is funny and interesting person. Well, ~~about~~ among school lessons I like physics most because it's interesting for me. I don't have favourite teacher. So, how is your school life going?
