I would like to describe an event called „The Day of Bread and Milk“

This event took place a long time ago in the beginning of autumn. It took place at the park. There were a lot of foodstands, masterclasses and much more. Also there was a concert. Different people were involved: from the usual sellers to famous artists. Also there were involved some volunteers to help to organise this event

I don't really know how the event ends ~~was~~ I haven't seen it, but I'm sure the ending was interesting and everyone had a good time

That's all I wanted to say.
